

A WORKSHOP ON “INNATE GP GTI [”

Led By: Dr Pete Esdaile, Equine Chiropractor

Peter has developed a unique approach to Chiropractic over the last nearly 30 years" dghqtg'tgwkłpi "cu'c'tgi kvgtgf "ej kqr tcevt "k"42370Vtcf kkpqmł ."cp"wr r gt"egtłkecn chiropractor he has married that with an energetic approach, with an emphasis on understanding the cause of ill-health or dis-ease. This is not a therapeutic approach, but a correction of the cause, allowing the natural innate healing capacity of the body to flow to its potential.

For: All people who have a desire to enhance their equine companions potential, physically, emotionally and chemically.

When: Registration 8.30 am First Day for 9.00am start to about 5.00pm Second Day

Where: Check Link for Upcoming Workshops

Format: Theory classes, followed by guided sessions with your horses, experiencing a variety of different examples to better equip you to confidently apply this at home.

Bring: (1) Your own horse, or horses if you wish, although not absolutely essential as there should be plenty of horses on hand. We will be working in pairs mostly, and it is great if you have a buddy to work with when you get back home.
(2) An open and receptive mind, free from preconceptions of therapy and treatments.

Cost: \$660.00 per person for the two days, inclusive of comprehensive workbook,

To secure your position, early registration is required ASAP as we are limiting numbers and it will be on a “first in best dressed” basis. Please ring to confirm your position at least two weeks prior to the event.
